

PUBLIC NOTICE
City of Rio Dell Planning Commission
Notice of Public Hearing

On **Tuesday April 12, 2016 at 6:30 p.m.** or as soon thereafter as the matter can be heard, the Rio Dell Planning Commission will hold a fifth in a series of public hearings in the City Council Chamber at City Hall to continue discussion of establishing a **Commercial Medical Marijuana Land Use Ordinance (CMMLUO)**, Section 17.30.195 of Title 17 of the Rio Dell Municipal Code.

The Planning Commission is scheduled to discuss Testing Laboratories and Dispensaries provisions, including:

- **“Testing”, Testing licensees shall have their facilities licensed according to the regulations set forth in Section 19341 et. seq. of the Business and Professions Code. A testing licensee shall not hold a license in another license and shall not own or have ownership interest in any other license type; and**
- **“Dispensary; General”, Type 10 dispensaries are facilities where medical cannabis, medical cannabis products, or devices for the use of medical cannabis or medical cannabis products are offered either individually or in any combination, for retail sale, including an establishment that delivers, pursuant to express authorization by local ordinance, medical cannabis and medical cannabis products as part of a retail sale. Only one retail site is allowed and no other licenses are allowed under the Type 10 license; and**
- **“Dispensary; No More Than 3 Retail Sites”, A Type 10A dispensary licensee may apply for other licenses in an effort to be vertically integrated, which is required in some cities. And even though a dispensary may obtain a cultivator and/or manufacturing license, it must first transport all cannabis through a distributor and testing licensee before it re-enters the dispensary (if the grow is located in the same place) for sale.**

The Planning Commission will also consider the final version of the Commission recommended Draft **Commercial Medical Marijuana Land Use Ordinance (CMMLUO)** before referring it to the City Council.

Any person may appear and present testimony in regard to the project at the hearing. The Planning Commission needs **10 copies** of any materials submitted either prior to, or at the meeting.
